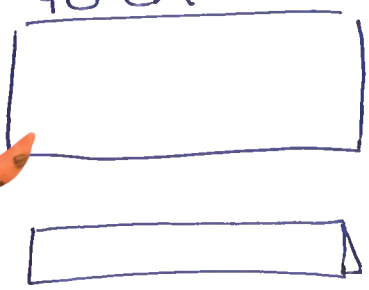
Mr Sausage Draft Excluder

Body 40 cm. 90 cm



Fold in half, lengthways, right sides together with 'seam' at top

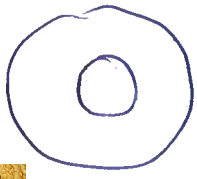
Measure in 8 cm from sides - all 4 ends. and draw a curve.

Pin then cut the fabric. Set aside

Eyes

cut 2 eyes approx 5cm diameter. Ideally in a non fray material like fleece. Use a small pot to draw around or a protector if you have one.

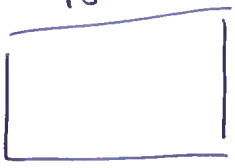
cut smaller inner eyes if you like



(Stitch the inner eye in place if using)

Ears

cut 4



2 in 1 fabric 2 in another

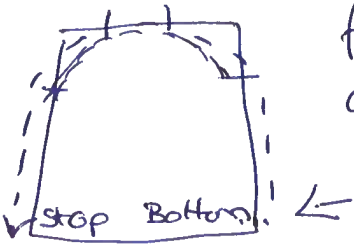
pin - ~~wrong~~ right sides together 2 contrasting pieces - do this for both ears

like with the body, but on the 'top' only - measure in 4cm. and draw a curve

PTO...

Ears continued...

Sew



from the bottom all around to the top and round again.

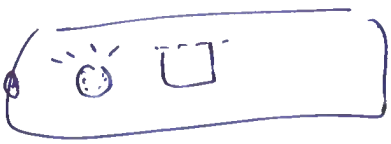
Trim and 'bag out' then iron flat, pin the tops in to hide the raw edge

and stitch in place.
The eyes and ears can now be attatched to the body.

Attaching the ears and eyes

Turn the body wrong sides together with the fold at the top.

pin and stich on the ears and eyes on side one, at least 4 cm from the edges. Sew just the top of the ear so its flappy  Repeat on side 2. (this is a good time to add eyelashes etc. - or a nose -

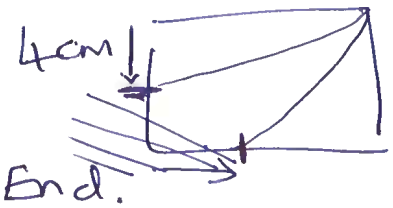


Nose cut a circle 8cm diameter in a non fray material.  cut in half  pin half and stitch to the middle end →

Tail

Prepare the tail by cutting a piece of fabric 20 x 20 cm

+ fold over with right sides together mark your tail tip then sew along the marks leaving the end open. Trim + bag out. Lightly stuff + set aside.



Assembly

Pin body right side together and sew along from nose to tail - leaving 4 cm gap for stuffing and tail

Trim any excess Bag out press and stuff. Turn in the edges to hide the raw material. Pin in the tail and hand sew in place.
